

Consent to Publish

The Author confirms:

- that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review, or thesis);
- that it is not under consideration for publication elsewhere;
- that its publication has been approved by all co-authors, if any;
- that its publication has been approved (tacitly or explicitly) by the responsible authorities at the institution where the work is carried out.

The Author agrees to publication **of the original version of the paper** in the Journal ``Zapiski Nauchnykh Seminarov Sankt-Peterburgskogo Otdeleniya Matematicheskogo Instituta im. V.A.Steklova Rossiiskoi Akademii Nauk'' (Notes of Scientific Seminars of the St.Petersburg Department of the Steklov Mathematical Institute, Russian Academy of Sciences) and also to publication of the article in English by Springer in Springer's corresponding English-language journal.

At the moment when the original version of the article is accepted ``Zapiski Nauchnykh Seminarov Sankt-Peterburgskogo Otdeleniya Matematicheskogo Instituta im. V.A.Steklova Rossiiskoi Akademii Nauk'', the author transfers to St.Petersburg Department of the Steklov Mathematical Institute, Russian Academy of Sciences the right to distribute the original version, including electronic forms, microfilme or any other reproductions of similar nature.

The copyright to the **version of the article published in ``Journal of Mathematical Sciences'' in the English language** is transferred to Springer effective if and when the article is accepted for publication. The author warrants that his/her contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by Springer.

Title of article: Primitive digraphs with large exponents and slowly
synchronizing automata
